

Giving to the Foundation

You can support the Patterson Foundation's work in our communities with a gift, just as other individuals have done. Adding to the contributions of the generous donors who created the Patterson Foundation, along with our efforts to grow these gifts, enables the Foundation to do even more to address the needs in our communities.

The Patterson Foundation accepts donations in the form of any amount of cash or stock, or you can pledge to donate money or stock in the future. In addition, you may wish to consider the Foundation in your estate planning.

To make a cash donation or to pledge to make a contribution, please download our

Contribution/Pledge Form and mail to:

Kim Poirier, Administrator
Patterson Foundation
1031 Mendota Heights Road
